To Speak In Hamlin This Friday Night

CONGRESSMAN SAM RUSSELL

Just a few Hamlin people have ever heard our Congressman, the Honorable Sam Russell speak.

Mr. Russell will be in Hamlin this Friday night and will address a mass meeting of citizens at the High School auditorium at 8:45 o'clock. Those who have heard him, say that he is a forceful speaker, and being direct from Washington, the city of all cities of the world, now in the limelight, and having dealt with so many great and complicated questions, we may well expect a talk that will long be remembered.

Remember the hour, and the place; tell your neighbor and come along. Take time to hear and even ask questions, for this is a true democracy in action. Mr. Russell will appreciate an auditorium full.

Making Up September Herald Readers' List

It is necessary to check up and make out new lists of Herald subscribers every few months, for various reasons, mainly to bring the correct addresses up to date, and to take out those whose time has expired, previous to Sept. 1, 1943.

So again, look just after your name, on your paper, or in case of some of the far away subscribers, on your wrappers, and you will see exactly when it is time to pay up and keep it coming.

We are doing our best to get the Herald to the boys and girls in service. Any change of address should be reported to us at once, or if a move is in process and the address is not known, we should know it so as to hold up sending till a proper address is given. Help the Herald to help you.

If your paper is out and you begin to miss issues, don't blame anyone but yourself.

Another New Man Preaching Sunday

The Pulpit Committee, acting for the membership of the First Baptist church, in the absence of a pastor, requests the Herald to announce that Rev. B. J. Martin, pastor of the Baptist church at McCamey, will fill the pulpit at both services this Sunday: 11:00 A. M. and at 8:45 P. M.

Last Sunday an attempt was made to call a pastor, and as per plan, two ballots were taken and no one received a majority of the votes cast.

Frank Kutach, Sr. Died Tuesday, August 31st

Frank Kutach, a well known farmer and citizen of the north part of Jones County since 1902, passed away at the home of his daughter, Mrs. Townsend, Tuesday, Aug. 31, at the age of 84 years. He had been in ill health for three years.

Frank Kutach, Sr., was born Feb. 9, 1859 in Lavaca County, Texas. He was married in 1880 to Miss Antonie Pustejovsky, and to this union five children were born. The eldest, Mary, preceded her father in death. Those surviving of this union are Tom Kutach and Mrs. Tonie McGough of Hamlin; Frank Kutach of Avoca and Mrs. Annie Koliba of Corpus Christi. His first wife died in October, 1888, and in April 1890, he was married to Miss Antonie Zatapeck, and to this union were born two children, namely, Mrs. Emma Townsend of Hamlin and Mrs. Frank Pustejovsky of Tuxedo, both surviving.

Mr. Kutach came to Jones County in 1902 and settled in the Dovie community, and in 1921 his wife died and in 1923 he moved to Tuxedo to make his home with a daughter and at the time of his death he lived in Hamlin with his daughter, Mrs. Townsend.

Eleven grand children survive and six great-grand children.

Funeral services were conducted Wednesday afternoon at the Barrow Funeral Parlor by Father Okublick of Seymour. Interment was in Hamlin East Cemetery.

Let Us Not Forget China's War Front

Significant facts about China's "front behind the lines," showing to what extent the Chinese people have made possible the six-year resistance as reported by recent visitors from that country.

These reports show that the Chinese people, though battered and cut off from substantial outside aid, are by no means sitting around waiting for help.

"The story of China's development of oil resources is typical of these accomplishments. Before the war, China imported all her oil. In 1938, Chinese oil surveyors discovered oil in Kansu Province, 2,000 miles from Chungking, the war capital. Production started in 1941. During the first year, production totalled 200,000 gallons; during the second year, 2,000,000 gallons; during 1943 6,000,000 gallons.

"China's ship building industry is cited as another example.

"Free China today has no sea-ports. They were occupied soon after Japan started invasion. But 1,500 miles in the interior, China is building big passenger and freight vessels, anticipating the day when these can sail again on China's great rivers. Some of these ships are carried overland, smuggled through Jap lines, and set into service as naval guerrillas.

"Most of China's pre-war coal mines were either destroyed or seized by Japan. After the invasion, the machinery of some of the big mines in the war area was dismantled, hauled hundreds of miles to the West by the workers, and there set up. Today numerous large coal mines have been developed, having a total coal production of 6,000,000 tons a year, and work on other coal seams in six different provinces is under way by both private and semi-official corporations.

"China's farmers are developing former arid land, and engineers have reclaimed thousands of acres of swampy land. In one province alone, production was increased by almost 84,000 acres. In Free China, almost 8,000,000 new acres have been planted to grain alone.

Scrapping Soldiers To Be In Hamlin Soon

The Army Scrap and Salvage crew working in Jones County, is still in the South and East of the County, according to a check-up by The Chamber of Commerce.

Those having scrap, even in small amounts, are urged to have it ready to point out so that we may assist the Army crew in their collection drive when they arrive here. This is the community's chance to really make a clean sweep of scrap which is so urgently needed in our war effort.

Miss Geraline Elliott Laid to Rest Thursday

The Herald announced last week that Miss Geraline Elliott, daughter of Mr. and Mrs. J. R. Elliott, Sr., had passed away at the Stamford Sanitarium.

Funeral services were conducted at the Church of Christ Thursday afternoon, August 26th, with Minister Doyle Banta of Abilene in charge.

The church building was crowded with sorrowing and sympathetic friends of the family from Hamlin community and Stamford. Banks of flowers bore beautiful testimony of the love and esteem of those who knew Geraline.

The deceased was born in Erath county, July 1, 1923 and came with the family to Hamlin in 1924. She grew to womanhood here, was a graduate of the Hamlin High school, class of 1942. She was a devoted Christian, character, a member of the Church of Christ; she attended prayer meeting in the church, on the Wednesday evening that she took so violently ill, and died the next Wednesday night. She was employed by the local Southwestern Telephone Co.

Information from the parents, indicated that Geraline had not been in real good health for several years but she determined to carry on and completed her school work, and kept her radiant outward expression. She was one who practiced that everyone can be courteous and pleasant to everyone we meet and it does not cost anything. So perhaps that is one reason Geraline was a friend-maker and that was why so many of her associates were so saddened by her departure so early in life.

The survivors are her parents and one brother, J. R. Elliott Jr., of the army air forces in Florida and one sister, Mrs. Bruce Hallmark.

Thanks Fireboys

I want to thank the Hamlin Fireboys for saving my barn last Friday. We appreciate what they did in checking the fire.

Mr. and Mrs. O. G. Ebert (Mr. Ebert had burned some grass and weeds and had watched it two hours and finally a fire started in the car shed which was lost, including several articles. The barn was connected to the shed but was saved.)

A. G. Gonzales, one of our best farmers in the Hitson community, is one of the Herald's constant subscribers. Senior Gonzales has two sons in the armed service, one, Pvt. Willie Gonzales is in Florida, and the other, Pfc. Ben Gonzales, is in a tank division in New York State. Yes sir, Senior Gonzales is proud of his sons that they are helping to hold our country free. He is a native of Mexico, but all his children are Texans.

Funeral Held Sunday For Mrs. Ira C. Fudge

Thursday morning, August 26th, the friends of Mrs. Ira C. Fudge were shocked to learn she had died Wednesday night.

Mrs. Fudge was enroute to Hamlin, having spent a three weeks vacation with husband, children and a sister in California. Death came suddenly in an El Paso, Texas, train depot, due to a heart attack.

Her son, Billie, was the only one with her at the time of death. First aid was rendered but to no avail. Georgia Anne Perdue Fudge was born August 1, 1893, in Angelina County, Texas.

April 4, 1909 she was united in marriage to Ira C. Fudge, at Ennis, Texas. To this union thirteen children were born.

She is survived by her husband, Ira C. Fudge, and the following children:

Kirby H. Fudge, Benicia, Calif.; Floyd D. and Sterling C. Fudge of Stamford, Texas; Tollie Fudge, in the Navy at Williamsburg, Va.; I. C. (Billie) Fudge, Jr., and Gerald Fudge of Hamlin; Pauline Fudge, Abilene; Mrs. Harvey D. Wilson of Hamlin; Evelyn Fudge and Mrs. Floyd L. Chase, both of Benicia, Calif.; Glenna Fudge, Hamlin, and there are ten grand children.

Surviving also are two brothers, G. W. Perdue, Weatherford, and L. J. Perdue, Tulsa, Okla., and one sister, Mrs. Charles Turvey, Torrance, Calif.

She was baptized into the Church of Christ at the age of thirteen and had been a loyal Christian since that time.

Death came at the age of fifty years and twenty-five days.

All the children were present for the funeral except a son-in-law, Floyd L. Chase, who is stationed somewhere in North Africa.

Out of town relatives present for the funeral were: Mrs. Charles Turvey, Torrance, Calif.; Mrs. G. W. Perdue and daughter, Miss Ethel of Weatherford, Texas; Mrs. J. C. Sheets, Dallas, Texas; Mrs. Edd Boyd, Canton, Texas; Mrs. W. O. Waldrop and Mrs. J. T. Maddox, Ennis, Texas; Miss Ann Fudge of Houston; Mrs. T. J. Brown, Big Spring, Texas.

Funeral services were conducted by Minister J. W. Treat of Abilene, Sunday afternoon at the Hamlin Church of Christ.

Pallbearers were: Jack Smith, Frank Barton, Morgan Drummonds, E. D. Jenkins, Harold Bonner and J. M. Benton.

Burial was in Hamlin East Cemetery, by the Barrow Co.

Miss Edwina Gilbert arrived last week from New York where she has spent eight weeks. Miss Gilbert took a music course in the Julliard Institute of Music. One thing Miss Gilbert reports about New York, in addition to it's being a big city, is that in that State, one has to pay an extra penny on most things, except foods, and some rare foods.

Ray Bailey returned Friday from a two weeks visit with his sister, Miss Vie Bailey and his friend, Joe C. Hall in Corpus Christi.

Church of Christ Closed Good Meeting On Tuesday Night

Excellent interest was manifested in the sermons preached by C. C. Abbott of Chickasha, Okla., in the Gospel meeting at the local Church of Christ which closed Tuesday night August 31. Five responded to the invitation of the Lord and were baptized. Our brief summaries follow below.

Wednesday, 4 P. M.
"The Lord's Supper" (1 Cor. 11:23-29). The Lord's Supper, instituted by Jesus Himself (Matt. 26:26-29) is observed on the first day of the week (Acts 20:7), the Lord's Day.

Wednesday Night, Aug. 25
"Does the Gospel Convert All Alike?" (1 Cor. 1:21). A survey of the conversions recorded in New Testament records (Book of Acts) reveals that preaching the Gospel, faith, repentance, confession, baptism, and resultant salvation, enter into every conversion.

Thursday, 4 P. M., Aug. 26
"A Word" (Luke 16:25). The sweetest and the bitterest word in the Bible is memory. The rich man who was in torments in hell was told by Abraham, "Son, remember." It will be bitter or sweet for us according to the lives we live.

Friday, 4 P. M., Aug. 27
The 13th chapter of 1st Cor. reveals the importance (its absolute necessity), the nature, the work, and the abiding qualities of love.

Friday Night, Aug. 27
"Why I Am A Member of The Church of Christ". Jesus said, "I will build my church." Matt. 16:18. The church or the kingdom was to come with power, Mark 9:1; Acts, 1:8-11.

Saturday, 4 P. M., Aug. 28
"Christian". The word Christian is found three times in the New Testament: Acts 11:26; Acts 26:26 and 1 Peter 4:16. How important it is to wear the name and be simply a Christian.

Saturday Night, Aug. 28
"The Highway of Holiness". The deliverance of the children of Israel from Egyptian bondage, their wanderings in the wilderness, and their entrance into the promised land — all is a type of which the anti-type is as follows: our deliverance from sin, our life as Christians, and the reward of Heaven.

Sunday Morning, Aug. 29
"The Five Duties of a Christian." 1 Cor. 16:13-14. Christians must have their eyes open to avoid temptation and to see opportunities for doing good. Christianity is a doing religion.

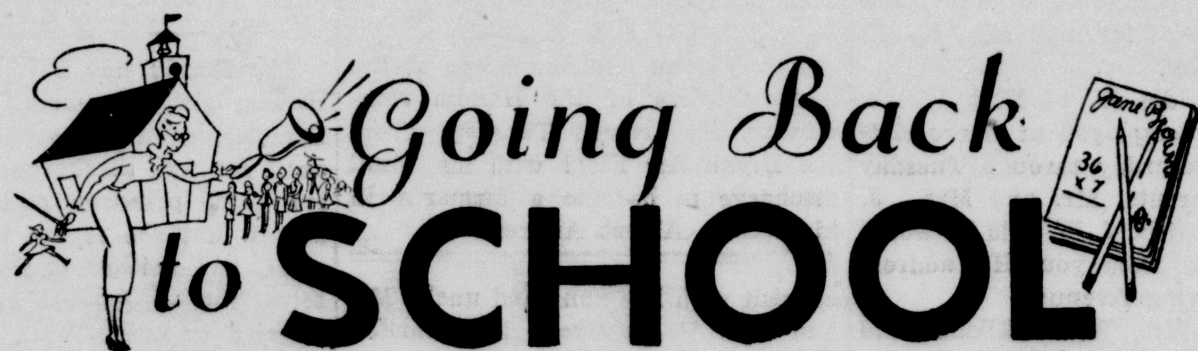

Sunday Night, Aug. 29
"The Last Will and Testament of Jesus Christ." When a new will is made the old one is thereby made void. So when Jesus established His New Testament or Will He took the Old Testament away by fulfilling it. His Testament went into effect of course after His death. Thus many things observed in the Old Testament are replaced in the New.

Monday, 4 P. M., Aug. 30
"Binding Jesus" Matt. 27:1-2. The chief priests and elders wanted to put Jesus to death; they bound Him to lead him away. It seems incredible to us that any one should have wanted to bind Jesus, the sinless one. Still, people today bind Jesus and stop His work, even as His work stopped when He was bound. How today? Preachers today bind Jesus when they fail to preach the Gospel in its purity (Rom. 1:16; Mark 16:16; Gal. 1:8-9).

Tuesday, 4 P. M., Aug. 31
"The Spirit of Christ" (Rom. 8:9) Paul states emphatically that he who has not the spirit of Christ is none of His. This leads to a consideration of what that means, of the two-fold nature of Christ: the Lamb, and the Lion of Judah. We are to be like Christ.

Tuesday Night, Aug. 31
"The Establishment of the Church". Isa. 2:2-4 is the prophecy of the establishment of the Lord's house in Jerusalem. Mk. 9:1 is the statement of Jesus that the Kingdom will be established with power; Jesus also promises that "I will build my church," Matt. 16:18.

FIRST LETTER FROM BRYAN PHENIX

Mr. and Mrs. Carl Phenix were happy Tuesday to get their first letter from their son, Marine Bryan Phenix, from down in the South Pacific. He says in part: "I am now on an island, the second I have landed on so far. Boy, I wish you could see some of the natives here, they are sure a sight, they have real stiff looking hair and it usually stands up all over their head. They are just wild looking negroes—that is the best way to describe them. . . . Am at a good camp now, showers, huts, swimming pool, a creek to swim in. . . . by the way, the huts are made in Dallas, Texas. . . . get good chow, better than in the States—about all I do is wash clothes and work in the office. Oh yes, I ran into some of my old buddies that I met in boot camp clerical school. I got my first mail the other day, 17 letters, and 15 from home, and later five more. Boy I really got some mail. . . . You should see me now—I have a moustache, or a resemblance, if I darken it and it will look better. Oh yes, I have all the cocoanuts I want to eat, just step outside and pick 'em up and open, which is quite a job. I am sending this letter FREE. I have one nickel left, and I'm not going to spend it, 'cause I don't want to go broke. I will have been in the Marines one year, Sept. 16, and I'm going to have a birthday soon. . . . don't worry about me, because I'm OK. I'm having the time of my life. . . . the only thing I haven't got out here is a girl friend!" Love, Bryan Phenix.

247th Station Hospital
Camp McCain, Miss.
August 23, 1943

Dear Mr. and Mrs. Bessire:

You are probably surprised to receive this letter from someone you do not know. You see, I attend the same church your son does. The first time I saw him sitting in the choir some months ago, I said to myself, "There is a really nice looking boy. I would like to meet him." Finally, I did, and he was even more than I had thought he could be. If I were to vote for the nicest kid I have ever met he would surely get my vote. His presence in his place each Sunday has been so much inspiration to me. You certainly don't have to worry about your son doing anything wrong. He must have a good home background to have grown up to be such a fine Christian man. I am sure his witness for Christ will always be very effective among his buddies. I know it must be hard for you to be separated from him, but if you knew how great is the spiritual need in the army I think you would rejoice because of his opportunities. I heard him lead in prayer in Training Union, and I am quite sure the other soldiers who were there were inspired, as I was, to live a more noble, self-less life the following week, for having heard the quiet, honest, and sincere petition which was his prayer.

I read the portion of your letter to the church which was printed in the church bulletin, and I just wanted to tell you the church is really proud of him, and his life is really a blessing to the church.

I am so glad he got his furlough, but I missed him last Sunday. I trust I shall see him next Sunday.

With best wishes, not only for you, but for him, I remain,

Sincerely,
Virgil L. Cook

Pfc. Oddis Huling came up from the Hondo Field on a week end pass, arriving here Friday night, and returning Sunday. Oddis is as fat and round as a kid, and still has that "political wave of the hand." We do not know whom he razzes down in the camp but bet a hole in one of the doughnuts he cooks that he could razoo an officer and get by with it.

Tech. Corporal Melvin Neill, a Radio Repairman, came in from Nashville, Tenn., last Friday to spend a few days at home with his parents. He will leave this week end for Camp Crowder, Mo., where his company gets together after being scattered for several months.

The Herald has a letter from a Hamlin girl, formerly Anne Sue Lasseter, a member of the WAC's until she was discharged because of low blood pressure and a hearing defect. But she is not a WAC anymore, and neither is she Anne Lasseter, for on August 14th she was married to a Mr. Van Duren and their home is now at 504 Tampa St., Tampa, Florida.

WORKING for VICTORY

ON THE SANTA FE

Through these hectic days and busy nights, troop trains, regular trains with troop cars, and freights loaded with war materials keep rolling along the Santa Fe.

Watch a section hand grab his pick a little tighter after a trainload of American fighting boys has rolled past. "We'll-get-'em-through" is his attitude these days.

Yet—he is only one of more than 60,000 employees on the Santa Fe who are doing their bit to "keep 'em rolling" all along the line. . . .

moving millions of troops and millions of tons of materials needed for Victory, where and when they are needed.

They know that if you stop the wheels that move them, you stop everything that floats and flies as well!

And they never forget that thousands of boys in our armed forces came from Santa Fe ranks and from the families of Santa Fe employees, and these boys who are fighting for all of us have the toughest job of all!

You bet, we're backing them up in the best way we know—and that's by buying War Bonds, and seeing to it that movements essential to Victory come first on the Santa Fe!

CALL YOUR REPAIRMAN!

Your repairman, if you stop to think, is one of the most essential workers around any industry today. You see, since the manufacture of appliances has stopped, the dealers' shelves are getting mighty empty. And that's where the repairman and you come in! The new ones that would normally be coming off the lines have gone to war. So, it's up to us to make the ones we have on hand last for the duration.

Electric appliances were made to last for many years—and they will if given proper care and servicing. By keeping your refrigerator, range, food mixer, iron, etc. in tiptop working conditions—by keeping them clean, shining, and fit—you can help win the victory on the home front.

And don't forget to call your repairman, when repairs are necessary. He's a busy man—in fact, he is already working overtime, but he'll be glad to help you, because he knows that it's up to you and him to KEEP 'EM WORKING!!

POT SHOTS FROM McCAULEY

— BY GEO. DARDEN —

Mrs. Bob Lewis, the former Fern Maberry of McCauley, writes us and sends a dollar for another year's subscription to the Herald. Fern is making her home in Clifton, Arizona, and is employed by the Southern Pacific Lines. Thanks.

Mrs. J. W. Fancher is a new subscriber to the Herald and she plans to clip the McCauley news out each week and send to her navy son, James. Thanks.

Visiting in the home of Mr. and Mrs. J. W. Fancher is their daughter-in-law, Mrs. James Fancher of Washington, D. C. Her husband, James Fancher is somewhere in the Pacific. James has been in the Navy since Oct. 10th, nine years ago.

Mrs. Opal Gilliland of Bastrop is a visitor in the home of her mother, Mrs. T. C. Barnes of McCauley.

Mrs. Flora Mason fell at her home last week and suffered painful but not serious injuries, and we are glad to report that Mrs. Mason is getting along nicely.

Mrs. Etta Stephenson is visiting this week in the home of her son and family, Mr. and Mrs. Virgil Stephenson in Amarillo.

Mrs. A. A. Callaway has been employed as teacher in the Newman schools this year.

Lieut. Frazier Kemp and wife of Ft. Sill were visitors in the home of his parents, Mr. and Mrs. B. F. Kemp last week.

Glad to report that Mrs. Frank Maberry is back home after a suc-

cessful surgery in a Stamford hospital.

Mr. and Mrs. Melvin Henderson of Coleman are spending a few days with relatives and friends. Melvin is to report to Ft. Sill within the next twenty-one days for induction in Uncle Sam's army. Best wishes Melvin.

Mr. and Mrs. J. W. Rush have moved back to town and are now living in the George Maberry house in the east part of town.

Mrs. W. F. Davison met her Navy son, Marvin, in Dallas this week. We understand that Marvin is being transferred. He has been stationed at the Great Lakes for the past year. Mrs. Davison will visit with daughters also in Dallas.

Mrs. Creed Smith of Abilene is visiting her parents, Mr. and Mrs. D. F. Maberry. Mrs. Maberry is still confined to her bed after undergoing surgery a few weeks ago.

Misses Jo Ann and Raye Shelley, who are employed in defense work in Fort Worth, are visiting their parents, Mr. and Mrs. John Shelley. Mr. and Mrs. Shelley's soldier son is somewhere in Africa.

Mrs. J. A. Jackson, Mrs. O. T. Hennington and Paul Behning were shopping in Sweetwater last Monday.

Mrs. John Frank Maberry and daughter La Verne visited last week in Fort Worth and Dallas with Mr. and Mrs. Lon Address and Mr. and Mrs. Clinton Maberry. Lavena Sue, a younger daughter of Mr. and Mrs. Maberry, is now employed in Fort Worth.

Thanks to Mr. H. P. Powers for a year's subscription to the Herald. Mr. Powers tells us that he is still looking for teachers for the McCauley school.

Just received a good letter from our good friend, Bynum Akins who is in training at Baylor University as a Naval flyer. Bynum has had 44 hours in the aid and is anxious to get started at bombing the Japs. Boys like Bynum Akins are the kind that will win the war and the peace afterwards. We do not have the words to express our appreciation for such boys as Bynum. He was born and reared in this community and there is not a blemish against his character, and the principles for which he stands are tops, and to express our opinion of Bynum, we would say that he is clean as a hound's tooth. That's an old crude expression but one that puts it in boss sense form. And thanks Bynum for the year's subscription to the Herald, and remember we back in the old home town are putting our trust in such boys as you.

Roy Hennington, who for the past several years has taught in the McCauley and Hobbs schools, has been employed for the season as bookkeeper at the Texas Cotton Growers Gin.

Milton Webb is back home after several months in the U. S. Army, and we understand that Milton was honorably discharged due to over age and too, Milton is a good farmer.

A good crowd of men attended the men's class at the Baptist church last Sunday. You are cordially invited to attend every Sunday. It may do you good and we guarantee it won't hurt you.

We may not be able to answer all letters that we get from the boys in the armed forces very promptly but we will finally get around to it and all letters will be acknowledged in this column and we do appreciate your letters, fellows.

Mr. and Mrs. Ralph Bishop of Ft. Worth were in McCauley Monday and they were moving their household goods to that city where they have purchased a home in River Oaks, a new addition of Fort Worth. Mrs. Bishop has taught in the McCauley schools for a number of years. Mr. Bishop is employed in defense work in Fort Worth and Mrs. Bishop will teach there this year in the schools.

Ginning cotton in McCauley last week were: D. W. Maberry, Cecil Woods, J. T. Rhoten, W. L. Griffin, Albert Eivens, W. F. Davison, W. C. Keane and Ernest Webb.

Mrs. Jack Johnson was elected as president of the Missionary Society last week. Mrs. Johnson will name her committee members later. Mrs. C. E. Dick was elected secretary-treasurer.

Mr. Fritz Hill, who has taught school at McCauley for the past several years, has been called up for service in the armed forces and we understand that Mr. Hill is getting into the Navy. Best wishes, Prof.

Miss Ruby Milsap of Omaha, Nebraska, has been visiting parents and other relatives in this community. Also visiting in the Milsap

home in McCauley last week was Mrs. Louis Hopkins of Ft. Worth.

The combining of Maize in this vicinity has about come to a halt. However, the farmers who had early maize are a lot of dollars to the good. In fact, a big maize farmer this year could open a bank of his own.

Thoroughbred and quarter horse colts are grazing the pastures near McCauley. Frank Maberry is rearing two fine filly colts and J. P. Humphries has one. Who knows, a McCauley colt may win the Kentucky Derby one of these days.

When a West Texas stockman picks up the Abilene Reporter about the first thing he turns to is Harry Holt's column, "Chousin' Around." Harry is doing a good job of keeping the folks informed about sheep, cattle, hogs and good horses.

Ralph Fancher has at last been taken into the army. Ralph has been up seven times before he was accepted and in this case the seventh time was the charm. Ralph really wanted in, too, so he is on his way and with our best wishes.

Thanks to Mr. and Mrs. Ralph Bishop of Fort Worth for a year's subscription to the Herald.

We were not spoofing last week about the Eivens No. 1 two miles south of town. A test was made last Friday afternoon and she flowed seventy-six barrels in thirty minutes. Yes, we may be in for another Ran-

ger or Hog town. Leases are very much in demand around the old home town.

O-O-O

COMMENT No. 1—Often folks ask us: What are you going to write about in your column next week? We never know until we sit down to the old typewriter, and suddenly we get on the beam or off the beam and start pecking, and for this week, we may as well ramble around a bit due to the fact that we have not had the time for the past few weeks to think seriously about one certain thing and all we really know is that we still have a war on and we imagine that Hitler and the Japs are thinking that "Hell's-a-popping."

Well, it's a shade early for political gossip, but we are already hearing that the Republicans are trying to get lined up to beat F. D. R. Mr. Willkie will likely be the color bearer for the G. O. P.'s, and he will be just another also ran. Willkie's book, "One World," is a great seller and no doubt a good book, but Mr. Willkie tore his pants with a lot of voters by so much popping off on his round the world tour. Getting back to home politics, well Fisher county candidates had it easy going last election, but perhaps it will be different next year. Folks are predicting that there will be at least two in every race for all county offices. Sometimes office holders get stale on the job, and they for-

Surveyors are measuring land and drawing maps for the past two weeks between Hamlin and McCauley, and maybe so we will get the road finished from Jones County line after the war. We sure do need a hard surfaced road through McCauley. Rumors are that the State has the money to complete the highway and surely Fisher county will promote the right-of-way.

The oil play in this vicinity will likely call for better living conditions

In McCauley. If oil workers were to come in now, we wonder where they would find places to stay, and say, McCauley needs a cafe, and somebody could make a good living with a nice little cafe in McCauley. No Chamber of Commerce here but we still have a few boosters.

IN 38th YEAR — EVERY WEEK SINCE 1905.

HAMMLIN, JONES COUNTY, TEXAS, FRIDAY, SEPTEMBER 3, 1943

NUMBER 44

To Speak In Hamlin This Friday Night

CONGRESSMAN SAM RUSSELL

Just a few Hamlin people have ever heard our Congressman, the Honorable Sam Russell speak.

Mr. Russell will be in Hamlin this Friday night and will address a mass meeting of citizens at the High School auditorium at 8:45 o'clock. Those who have heard him, say that he is a forceful speaker, and being direct from Washington, the city of all cities of the world, now in the limelight, and having dealt with so many great and complicated questions, we may well expect a talk that will long be remembered.

Remember the hour, and the place; tell your neighbor and come along. Take time to hear and even ask questions, for this is a true democracy in action. Mr. Russell will appreciate an auditorium full.

Making Up September Herald Readers' List

It is necessary to check up and make out new lists of Herald subscribers every few months, for various reasons, mainly to bring the correct addresses up to date, and to take out those whose time has expired, previous to Sept. 1, 1943.

So again, look just after your name, on your paper, or in case of some of the far away subscribers, on your wrappers, and you will see exactly when it is time to pay up and keep it coming.

We are doing our best to get the Herald to the boys and girls in service. Any change of address should be reported to us at once, or if a move is in process and the address is not known, we should know it so as to hold up sending till a proper address is given. Help the Herald to help you.

If your paper is out and you begin to miss issues, don't blame anyone but yourself.

Another New Man Preaching Sunday

The Pulpit Committee, acting for the membership of the First Baptist church, in the absence of a pastor, requests the Herald to announce that Rev. B. J. Martin, pastor of the Baptist church at McCamey, will fill the pulpit at both services this Sunday: 11:00 A. M. and at 8:45 P. M.

Last Sunday an attempt was made to call a pastor, and as per plan, two ballots were taken and no one received a majority of the votes cast.

Frank Kutach, Sr. Died Tuesday, August 31st

Frank Kutach, a well known farmer and citizen of the north part of Jones County since 1902, passed away at the home of his daughter, Mrs. Townsend, Tuesday, Aug. 31, at the age of 84 years. He had been in ill health for three years.

Frank Kutach, Sr., was born Feb. 9, 1859 in Lavaca County, Texas. He was married in 1880 to Miss Antonie Pustejovsky, and to this union five children were born. The eldest, Mary, preceded her father in death. Those surviving of this union are Tom Kutach and Mrs. Tonie McGough of Hamlin; Frank Kutach of Avoca and Mrs. Annie Koliba of Corpus Christi. His first wife died in October, 1888, and in April 1890, he was married to Miss Antonie Zatapeck, and to this union were born two children, namely, Mrs. Emma Townsend of Hamlin and Mrs. Frank Pustejovsky of Tuxedo, both surviving.

Mr. Kutach came to Jones County in 1902 and settled in the Dovie community, and in 1921 his wife died and in 1923 he moved to Tuxedo to make his home with a daughter and at the time of his death he lived in Hamlin with his daughter, Mrs. Townsend.

Eleven grand children survive and six great-grand children.

Funeral services were conducted Wednesday afternoon at the Barrow Funeral Parlor by Father Okublick of Seymour. Interment was in Hamlin East Cemetery.

Let Us Not Forget China's War Front

Significant facts about China's "front behind the lines," showing to what extent the Chinese people have made possible the six-year resistance as reported by recent visitors from that country.

These reports show that the Chinese people, though battered and cut off from substantial outside aid, are by no means sitting around waiting for help.

"The story of China's development of oil resources is typical of these accomplishments. Before the war, China imported all her oil. In 1938, Chinese oil surveyors discovered oil in Kansu Province, 2,000 miles from Chungking, the war capital. Production started in 1941. During the first year, production totalled 200,000 gallons; during the second year, 2,000,000 gallons; during 1943, 6,000,000 gallons.

"China's ship building industry is cited as another example.

"Free China today has no seaports. They were occupied soon after Japan started invasion. But 1,500 miles in the interior, China is building big passenger and freight vessels, anticipating the day when these can sail again on China's great rivers. Some of these ships are carried overland, smuggled through Jap lines, and set into service as naval guerrillas.

"Most of China's pre-war coal mines were either destroyed or seized by Japan. After the invasion, the machinery of some of the big mines in the war area was dismantled, hauled hundreds of miles to the West by the workers, and there set up. Today numerous large coal mines have been developed, having a total coal production of 6,000,000 tons a year, and work on other coal seams in six different provinces is under way by both private and semi-official corporations.

"China's farmers are developing former arid land, and engineers have reclaimed thousands of acres of swampy land. In one province alone, production was increased by almost 84,000 acres. In Free China, almost 8,000,000 new acres have been planted to grain alone.

Scrapping Soldiers To Be In Hamlin Soon

The Army Scrap and Salvage crew working in Jones County, is still in the South and East of the County, according to a check-up by The Chamber of Commerce.

Those having scrap, even in small amounts, are urged to have it ready to point out so that we may assist the Army crew in their collection drive when they arrive here. This is the community's chance to really make a clean sweep of scrap which is so urgently needed in our war effort.

Miss Geraline Elliott Laid to Rest Thursday

The Herald announced last week that Miss Geraline Elliott, daughter of Mr. and Mrs. J. R. Elliott, Sr., had passed away at the Stamford Sanitarium.

Funeral services were conducted at the Church of Christ Thursday afternoon, August 26th, with Minister Doyle Banta of Abilene in charge.

The church building was crowded with sorrowing and sympathetic friends of the family from Hamlin community and Stamford. Banks of flowers bore beautiful testimony of the love and esteem of those who knew Geraline.

The deceased was born in Erath county, July 1, 1923 and came with the family to Hamlin in 1924. She grew to womanhood here, was a graduate of the Hamlin High school, class of 1942. She was a devoted Christian, character, a member of the Church of Christ; she attended prayer meeting in the church, on the Wednesday evening that she took so violently ill, and died the next Wednesday night. She was employed by the local Southwestern Telephone Co.

Information from the parents, indicated that Geraline had not been in real good health for several years but she determined to carry on and completed her school work, and kept her radiant outward expression. She was one who practiced that everyone can be courteous and pleasant to everyone we meet and it does not cost anything. So perhaps that is one reason Geraline was a friend-maker and that was why so many of her associates were so saddened by her departure so early in life.

The survivors are her parents and one brother, J. R. Elliott Jr., of the army air forces in Florida and one sister, Mrs. Bruce Hallmark.

Thanks Fireboys

I want to thank the Hamlin Fireboys for saving my barn last Friday. We appreciate what they did in checking the fire.

Mr. and Mrs. O. G. Ebert (Mr. Ebert had burned some grass and weeds and had watched it two hours and finally a fire started in the car shed which was lost, including several articles. The barn was connected to the shed but was saved.)

A. G. Gonzales, one of our best farmers in the Hilsen community, is one of the Herald's constant subscribers. Senior Gonzales has two sons in the armed service, one, Pvt. Willie Gonzales is in Florida, and the other, Pfc. Ben Gonzales, is in a tank division in New York State. Yes sir, Senior Gonzales is proud of his sons that they are helping to hold our country free. He is a native of Mexico, but all his children are Texans.

Funeral Held Sunday For Mrs. Ira C. Fudge

Thursday morning, August 26th, the friends of Mrs. Ira C. Fudge were shocked to learn she had died Wednesday night.

Mrs. Fudge was enroute to Hamlin, having spent a three weeks vacation with husband, children and a sister in California. Death came suddenly in an El Paso, Texas, train depot, due to a heart attack.

Her son, Billie, was the only one with her at the time of death. First aid was rendered but to no avail.

Georgia Anne Perdue Fudge was born August 1, 1893, in Angelina County, Texas.

April 4, 1909 she was united in marriage to Ira C. Fudge, at Ennis, Texas. To this union thirteen children were born.

She is survived by her husband, Ira C. Fudge, and the following children:

Kirby H. Fudge, Benicia, Calif.; Floyd D. and Sterling C. Fudge of Stamford, Texas; Tollie Fudge, in the Navy at Williamsburg, Va.; I. C. (Billie) Fudge, Jr., and Gerald Fudge of Hamlin; Pauline Fudge, Abilene; Mrs. Harvey D. Wilson of Hamlin; Evelyn Fudge and Mrs. Floyd L. Chase, both of Benicia, Calif.; Glenna Fudge, Hamlin, and there are ten grand children.

Surviving also are two brothers, G. W. Perdue, Weatherford, and L. J. Perdue, Tulsa, Okla., and one sister, Mrs. Charles Turvey, Torrance, Calif.

She was baptized into the Church of Christ at the age of thirteen and had been a loyal Christian since that time.

Death came at the age of fifty years and twenty-five days.

All the children were present for the funeral except a son-in-law, Floyd L. Chase, who is stationed somewhere in North Africa.

Out of town relatives present for the funeral were: Mrs. Charles Turvey, Torrance, Calif.; Mrs. G. W. Perdue and daughter, Miss Ethel of Weatherford, Texas; Mrs. J. C. Sheets, Dallas, Texas; Mrs. Edd Boyd, Canton, Texas; Mrs. W. O. Waldrop and Mrs. J. T. Maddox, Ennis, Texas; Miss Ann Fudge of Houston; Mrs. T. J. Brown, Big Spring, Texas.

Funeral services were conducted by Minister J. W. Treat of Abilene, Sunday afternoon at the Hamlin Church of Christ.

Funeral services were: Jack Smith, Frank Barton, Morgan Drummonds, E. D. Jenkins, Harold Bonner and J. M. Benton.

Burial was in Hamlin East Cemetery, by the Barrow Co.

Miss Edwina Gilbert arrived last week from New York where she has spent eight weeks. Miss Gilbert took a music course in the Julliard Institute of Music. One thing Miss Gilbert reports about New York, in addition to it's being a big city, is that in that State, one has to pay an extra penny on most things, except foods, and some rare foods.

Ray Bailey returned Friday from a two weeks visit with his sister, Miss Vie Bailey and his friend, Joe C. Hall in Corpus Christi.

Church of Christ Closed Good Meeting On Tuesday Night

Excellent interest was manifested in the sermons preached by C. C. Abbott of Chickasha, Okla., in the Gospel meeting at the local Church of Christ which closed Tuesday night August 31. Five responded to the invitation of the Lord and were baptized. Our brief summaries follow below.

Wednesday, 4 P. M.

"The Lord's Supper" (1 Cor. 11:23-29). The Lord's Supper, instituted by Jesus Himself (Matt. 26:26-29) is observed on the first day of the week (Acts 20:7), the Lord's Day.

Wednesday Night, Aug. 25

"Does the Gospel Convert All Alike?" (1 Cor. 1:21). A survey of the conversions recorded in New Testament records (Book of Acts) reveals that preaching the Gospel, faith, repentance, confession, baptism, and resultant salvation, enter into every conversion.

Thursday, 4 P. M., Aug. 26

"A Word" (Luke 16:25). The sweetest and the bitterest word in the Bible is memory. The rich man who was in torments in hell was told by Abraham, "Son, remember." It will be bitter or sweet for us according to the lives we live.

Friday, 4 P. M., Aug. 27

The 13th chapter of 1st Cor. reveals the importance (its absolute necessity), the nature, the work, and the abiding qualities of love.

Friday Night, Aug. 27

"Why I Am A Member of The Church of Christ". Jesus said, "I will build my church." Matt. 16:18. The church or the kingdom was to come with power, Mark 9:1; Acts, 1:8-11.

Saturday, 4 P. M., Aug. 28

"Christian". The word Christian is found three times in the New Testament: Acts 11:26; Acts 26:26 and I Peter 4:16. How important it is to wear the name and be simply a Christian.

Saturday Night, Aug. 28

"The Highway of Holiness". The deliverance of the children of Israel from Egyptian bondage, their wanderings in the wilderness, and their entrance into the promised land — all is a type of which the anti-type is as follows: our deliverance from sin, our life as Christians, and the reward of Heaven.

Sunday Morning, Aug. 29

"The Five Duties of a Christian." I Cor. 16:13-14. Christians must have their eyes open to avoid temptation and to see opportunities for doing good. Christianity is a doing religion.

Sunday Night, Aug. 29

"The Last Will and Testament of Jesus Christ." When a new will is made the old one is thereby made void. So when Jesus established His New Testament or Will He took the Old Testament away by fulfilling it. His Testament went into effect of course after His death. Thus many things observed in the Old Testament are replaced in the New.

Monday, 4 P. M., Aug. 30

"Binding Jesus" Matt. 27:1-2. The chief priests and elders wanted to put Jesus to death; they bound Him to lead him away. It seems incredible to us that any one should have wanted to bind Jesus, the sinless one. Still, people today bind Jesus and stop His work, even as His work stopped then when He was bound. How today? Preachers today bind Jesus when they fail to preach the Gospel in its purity (Rom. 1:16; Mark 16:16; Gal. 1:8-9).

Tuesday, 4 P. M., Aug. 31

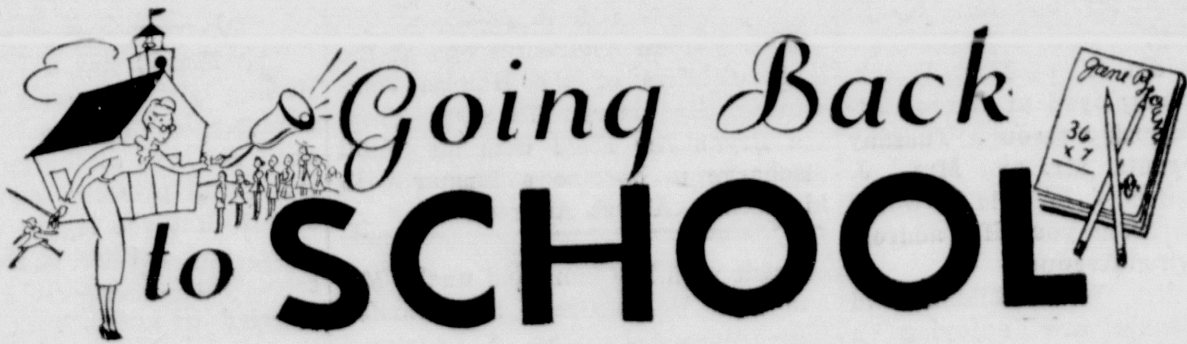

"The Spirit of Christ" (Rom. 8:9) Paul states emphatically that he who has not the spirit of Christ is none of His. This leads to a consideration of what that means, of the two-fold nature of Christ: the Lamb, and the Lion of Judah. We are to be like Christ.

Tuesday Night, Aug. 31

"The Establishment of the Church". Isa. 2:2-4 is the prophecy of the establishment of the Lord's house in Jerusalem. Mk. 9:1 is the statement of Jesus that the Kingdom will be established with power; Jesus also promises that "I will build my church," Matt. 16:18.

FIRST LETTER FROM BRYAN PHENIX

Mr. and Mrs. Carl Phenix were happy Tuesday to get their first letter from their son, Marine Bryan Phenix, from down in the South Pacific. He says in part: "I am now on an island, the second I have landed on so far. Boy, I wish you could see some of the natives here, they are sure a sight, they have real stiff looking hair and it usually stands up all over their head. They are just wild looking negroes—that is the best way to describe them. . . . Am at a good camp now, showers, huts, swimming pool, a creek to swim in. . . . by the way, the huts are made in Dallas, Texas. . . . get good chow, better than in the States—about all I do is wash clothes and work in the office. Oh yes, I ran into some of my old buddies that I met in boot camp clerical school. I got my first mail the other day, 17 letters, and 15 from home, and later five more. Boy I really got some mail. . . . You should see me now—I have a moustache, or a resemblance, if I darken it and it will look better. Oh yes, I have all the cocoanuts I want to eat, just step outside and pick 'em up and open, which is quite a job. I am sending this letter FREE. I have one nickel left, and I'm not going to spend it, 'cause I don't want to go broke. I will have been in the Marines one year, Sept. 16, and I'm going to have a birthday soon. . . . don't worry about me, because I'm OK. I'm having the time of my life. . . . the only thing I haven't got out here is a girl friend!" Love, Bryan Phenix.

247th Station Hospital
Camp McCain, Miss.

August 23, 1943

Dear Mr. and Mrs. Bessire:

You are probably surprised to receive this letter from someone you do not know. You see, I attend the same church your son does. The first time I saw him sitting in the choir some months ago, I said to myself, "There is a really nice looking boy. I would like to meet him." Finally, I did, and he was even more than I had thought he could be. If I were to vote for the nicest kid I have ever met he would surely get my vote. His presence in his place each-Sunday has been so much inspiration to me. You certainly don't have to worry about your son doing anything wrong. He must have a good home background to have grown up to be such a fine Christian man. I am sure his witness for Christ will always be very effective among his buddies. I know it must be hard for you to be separated from him, but if you knew how great is the spiritual need in the army I think you would rejoice because of his opportunities. I heard him lead in prayer in Training Union, and I am quite sure the other soldiers who were there were inspired, as I was, to live a more noble, self-less life the following week, for having heard the quiet, honest, and sincere petition which was his prayer.

I read the portion of your letter to the church which was printed in the church bulletin, and I just wanted to tell you the church is really proud of him, and his life is really a blessing to the church.

I am so glad he got his furlough, but I missed him last Sunday. I trust I shall see him next Sunday.

With best wishes, not only for you, but for him, I remain,

Sincerely,
Virgil L. Cook

WORKING for VICTORY

ON THE SANTA FE

Through these hectic days and busy nights, troop trains, regular trains with troop cars, and freights loaded with war materials keep rolling along the Santa Fe.

Watch a section hand grab his pick a little tighter after a trainload of American fighting boys has rolled past. "We'll-get-'em-through" is his attitude these days.

Yet—he is only one of more than 60,000 employees on the Santa Fe who are doing their bit to "keep 'em rolling" all along the line. . .

moving millions of troops and millions of tons of materials needed for Victory, where and when they are needed.

They know that if you stop the wheels that move them, you stop everything that floats and flies as well!

And they never forget that thousands of boys in our armed forces came from Santa Fe ranks and from the families of Santa Fe employees, and these boys who are fighting for all of us have the toughest job of all!

You bet, we're backing them up in the best way we know—and that's by buying War Bonds, and seeing to it that movements essential to Victory come first on the Santa Fe!

APPLIANCE TROUBLE?

CALL YOUR REPAIRMAN!

Your repairman, if you stop to think, is one of the most essential workers around any industry today. You see, since the manufacture of appliances has stopped, the dealers' shelves are getting mighty empty. And that's where the repairman and you come in! The new ones that would normally be coming off the lines have gone to war. So, it's up to us to make the ones we have on hand last for the duration.

Electric appliances were made to last for many years—and they will if given proper care and servicing. By keeping your refrigerator, range, food mixer, iron, etc. in tiptop working conditions—by keeping them clean, shining, and fit—you can help win the victory on the home front.

And don't forget to call your repairman, when repairs are necessary. He's a busy man—in fact, he is already working overtime, but he'll be glad to help you, because he knows that it's up to you and him to KEEP 'EM WORKING!!

POT SHOTS FROM M'CAULLEY

— BY GEO. DARDEN —

Mrs. Bob Lewis, the former Fern Maberry of McCaulley, writes us and sends a dollar for another year's subscription to the Herald. Fern is making her home in Clifton, Arizona, and is employed by the Southern Pacific Lines. Thanks.

Mrs. J. W. Fancher is a new subscriber to the Herald and she plans to clip the McCaulley news out each week and send to her navy son, James. Thanks.

Visiting in the home of Mr. and Mrs. J. W. Fancher is their daughter-in-law, Mrs. James Fancher of Washington, D. C. Her husband, James Fancher is somewhere in the Pacific. James has been in the Navy since Oct. 10th, nine years ago.

Mrs. Opal Gilliland of Bastrop is a visitor in the home of her mother, Mrs. T. C. Barnes of McCaulley.

Mrs. Flora Mason fell at her home last week and suffered painful but not serious injuries, and we are glad to report that Mrs. Mason is getting along nicely.

Mrs. Etta Stephenson is visiting this week in the home of her son and family, Mr. and Mrs. Virgil Stephenson in Amarillo.

Mrs. A. A. Callaway has been employed as teacher in the Newman schools this year.

Lieut. Frazier Kemp and wife of Ft. Sill were visitors in the home of his parents, Mr. and Mrs. B. F. Kemp last week.

Glad to report that Mrs. Frank Maberry is back home after a suc-

cessful surgery in a Stamford hospital.

Mr. and Mrs. Melvin Henderson of Coleman are spending a few days with relatives and friends. Melvin is to report to Ft. Sill within the next twenty-one days for induction in Uncle Sam's army. Best wishes Melvin.

Mr. and Mrs. J. W. Rush have moved back to town and are now living in the George Maberry house in the east part of town.

Mrs. W. F. Davison met her Navy son, Marvin, in Dallas this week. We understand that Marvin is being transferred. He has been stationed at the Great Lakes for the past year. Mrs. Davison will visit with daughters also in Dallas.

Mrs. Creed Smith of Abilene is visiting her parents, Mr. and Mrs. D. F. Maberry. Mrs. Maberry is still confined to her bed after undergoing surgery a few weeks ago.

Misses Jo Ann and Raye Shelley, who are employed in defense work in Fort Worth, are visiting their parents, Mr. and Mrs. John Shelley. Mr. and Mrs. Shelley's soldier son is somewhere in Africa.

Mrs. J. A. Jackson, Mrs. O. T. Hennington and Paul Behning were shopping in Sweetwater last Monday.

Mrs. John Frank Maberry and daughter La Verne visited last week in Fort Worth and Dallas with Mr. and Mrs. Lon Andress and Mr. and Mrs. Clinton Maberry. Lavena Sue, a younger daughter of Mr. and Mrs. Maberry, is now employed in Fort Worth.

Thanks to Mr. H. P. Powers for a year's subscription to the Herald. Mr. Powers tells us that he is still looking for teachers for the McCaulley school.

Just received a good letter from our good friend, Bynum Akins who is in training at Baylor University as a Naval flyer. Bynum has had 44 hours in the aid and is anxious to get started at bombing the Japs. Boys like Bynum Akins are the kind that will win the war and the peace afterwards. We do not have the words to express our appreciation for such boys as Bynum. He was born and reared in this community and there is not a blemish against his character, and the principles for which he stands are tops, and to express our opinion of Bynum, we would say that he is clean as a hound's tooth. That's an old crude expression but one that puts it in hoss sense form. And thanks Bynum for the year's subscription to the Herald, and remember we back in the old home town are putting our trust in such boys as you.

Roy Hennington, who for the past several years has taught in the McCaulley and Hobbs schools, has been employed for the season as bookkeeper at the Texas Cotton Growers Gin.

Milton Webb is back home after several months in the U. S. Army, and we understand that Milton was honorably discharged due to over age and too, Milton is a good farmer.

A good crowd of men attended the men's class at the Baptist church last Sunday. You are cordially invited to attend every Sunday. It may do you good and we guarantee it won't hurt you.

We may not be able to answer all letters that we get from the boys in the armed forces very promptly but we will finally get around to it and all letters will be acknowledged in this column and we do appreciate your letters, fellows.

Mr. and Mrs. Ralph Bishop of Ft. Worth were in McCaulley Monday and they were moving their household goods to that city where they have purchased a home in River Oaks, a new addition of Fort Worth. Mrs. Bishop has taught in the McCaulley schools for a number of years. Mr. Bishop is employed in defense work in Fort Worth and Mrs. Bishop will teach there this year in the schools.

Ginning cotton in McCaulley last week were: D. W. Maberry, Cecil Woods, J. T. Rhoten, W. L. Griffin, Albert Elvens, W. F. Davison, W. C. Keane and Ernest Webb.

Mrs. Jack Johnson was elected as president of the Missionary Society last week. Mrs. Johnson will name her committee members later. Mrs. C. E. Dick was elected secretary-treasurer.

Mr. Fritz Hill, who has taught school at McCaulley for the past several years, has been called up for service in the armed forces and we understand that Mr. Hill is getting into the Navy. Best wishes, Prof.

Miss Ruby Milsap of Omaha, Nebraska, has been visiting parents and other relatives in this community. Also visiting in the Milsap

home in McCaulley last week was Mrs. Louis Hopkins of Ft. Worth.

The combining of Maize in this vicinity has about come to a halt. However, the farmers who had early maize are a lot of dollars to the good. In fact, a big maize farmer this year could open a bank of his own.

Thoroughbred and quarter horse colts are grazing the pastures near McCaulley. Frank Maberry is rearing two fine filly colts and J. P. Humphries has one. Who knows, a McCaulley colt may win the Kentucky Derby one of these days.

When a West Texas stockman picks up the Abilene Reporter about the first thing he turns to is Harry Holt's column, 'Chousin' Around.' Harry is doing a good job of keeping the folks informed about sheep, cattle, hogs and good horses.

Ralph Fancher has at last been taken into the army. Ralph has been up seven times before he was accepted and in this case the seventh time was the charm. Ralph really wanted in, too, so he is on his way and with our best wishes.

Thanks to Mr. and Mrs. Ralph Bishop of Fort Worth for a year's subscription to the Herald.

We were not spoofing last week about the Eivens No. 1 two miles south of town. A test was made last Friday afternoon and she flowed seventy-six barrels in thirty minutes. Yes, we may be in for another Ran-

ger or Hog town. Leases are very much in demand around the old home town.

O-O-O

COMMENT No. 1—Often folks ask us: What are you going to write about in your column next week? We never know until we sit down to the old typewriter, and suddenly we get on the beam or off the beam and start pecking, and for this week, we may as well ramble around a bit due to the fact that we have not had the time for the past few weeks to think seriously about one certain thing and all we really know is that we still have a war on and we imagine that Hitler and the Japs are thinking that 'Hell's-a-popping.'

Well, it's a shade early for political gossip, but we are already hearing that the Republicans are trying to get lined up to beat F. D. R. Mr. Willkie will likely be the color bearer for the G. O. P.'s, and he will be just another also ran. Willkie's book, 'One World,' is a great seller and no doubt a good book, but Mr. Willkie tore his pants with a lot of voters by so much popping off on his round the world tour. Getting back to home politics, well Fisher county candidates had it easy going last election, but perhaps it will be different next year. Folks are predicting that there will be at least two in every race for all county offices. Sometimes office holders get stale on the job, and they for-

get that the jobs are a gift of the people and a public trust and in a case of that kind, it's time to change horses.

Surveyors are measuring land and drawing maps for the past two weeks between Hamlin and McCaulley, and maybe so we will get the road finished from Jones County line after the war. We sure do need a hard surfaced road through McCaulley. Rumors are that the State has the money to complete the highway and surely Fisher county will promote the right-of-way.

The oil play in this vicinity will likely call for better living conditions

In McCaulley. If oil workers were to come in now, we wonder where they would find places to stay, and say, McCaulley needs a cafe, and somebody could make a good living with a nice little cafe in McCaulley. No Chamber of Commerce here but we still have a few boosters.
